

Sanctity of Life

Prayer Requests

Prayers for Our Mission—Tri-County Pregnancy & Parenting Centers

For more opportunities to share the Gospel. That our work and our words will glorify the Lord, so that we may be a light for Him. That we honor him in our event planning, counseling, and meeting with churches.

For the women and girls who come in our doors, that they will have open hearts to hear the truth and accept Christ as their Savior and that we will be sensitive to the Holy Spirit's leading and prompting to share the Gospel.

For women to choose to keep their children, either to parent, or give them up for adoption. Praise God that some women have chosen adoption over abortion.

That volunteers will come forward to meet the needs of our clients. It takes many hands and feet for this ministry to operate at its best.

We ask God to bring the right leadership, and the wisdom and discernment to make use of unique gifts and talents.

That God will give us His vision for the future. That the board will be surrendered to God's will. That the staff will be at peace, embrace change, and rise to new challenges.

That the staff and board will continue to work together to serve men, women, and children in practical ways.

For physical and spiritual protection for all those who come to the center, including clients, volunteers and staff.

For funding and resources to keep our ministry open to the public.
