#### Class Content

Connections Class meets for six Sunday mornings at 9:00 a.m. in Room 233 of the Classroom wing located at the south end of the building (upper floor).

The class schedule includes the following.

- ◆ A safe place for you to ask questions about our church and its programs.
- ◆ Discovering what an Evangelical Free Church believes and why.
- ◆ Learning about our Philosophy of Ministry and Core Values.
- ◆ An opportunity to meet and interact with the staff.
- ◆ Finding out what ministries and serving opportunities are available.
- ◆ Learning about the spiritual gifts that God has given you.

Much like the pieces of a puzzle, people need to connect with others in order to take their place

within the life of the church family.

**Connections Class** is your opportunity to discover more about our church family and it also gives us an opportunity to get to know you!

We seek to provide...

- ◆ a warm, hospitable and welcoming atmosphere.
- ◆ an environment where needs are met.
- ◆ an on-going growth opportunity for your spiritual journey.
- ◆ The opportunity to understand your spiritual gifts and the special way God can use those gifts within the community and church family.

There are three ways that you can let us know of your desire to attend:

1. Call the church office to register (815.459.1095 ext. 14)
2. Send an email to Linda Page at [Lpage@efcl.org](mailto:Lpage@efcl.org)
3. Sign the clipboard in the welcome center display area available about three Sundays prior to class.
